

## Chamber of Commerce

Dear Community Member,

**Our mission is to create an environment in which BUSINESSES CAN PROSPER!  
The main function of the Shiner Chamber of Commerce is to promote local interest  
in business possibilities. Let us know what we can DO for YOU!**

The Shiner Chamber of Commerce is a group of individuals and companies working together to promote Shiner area services and businesses through membership dues and fund-raising projects. The chamber Board of Directors meet every second Tuesday of the month to work toward the betterment of our community. With new directors, new board members, and new volunteers, we are happy to work hard to do our part in serving our community. The Chamber encourages your active participation in our events and committees. We look forward to working with the City of Shiner, other organizations and businesses to promote the continued growth of our community.

**Annual membership dues are:**

- **\$25.00 for an individual**
